Case No. 23-62260-dwh11
☐ Amended

Debtor

**NOTICE OF DEBTOR'S AMENDMENT OF
MAILING LIST**

Notice

The debtor has filed the attached amended mailing list or schedules.

If you are being added as a creditor to the mailing list or schedules and the deadlines to file a proof of claim or complaint under 11 U.S.C. § 523(c) or § 727 have passed, a discharge granted to the debtor may not discharge the debt owed to you.

If you are a creditor being deleted from the mailing list or schedules—

- You may not receive any further notices, and
- If this is a chapter 9 or 11 case, a proof of claim must be filed by the later of (a) 30 days from the service date of this notice or (b) the latest time fixed by the court.

[The parties listed on Exhibit A will have 30 days from date on page 3 to file a Proof of Claim.](#)
You should contact your attorney with any questions.

Filing Instructions for Debtor

1. File this form to—

- add or delete creditors from the mailing list or Schedules D, E/F, G, or H;
- add addresses for creditors that were missing from the mailing list or Schedules D, E/F, G, or H filed with the petition; or
- change the amount or classification of a debt listed on Schedules D or E/F.

Payment of an amendment filing fee is required.

2. Adding or deleting creditors:

- If filing in paper, include a creditor mailing list with only the new or deleted creditors listed in the format required by Local Bankruptcy Form (LBF) 104. Be sure to label each set of changes with "Add" or "Delete." [See Exhibits A and B.](#)

- If e-filing via ECF, enter the names and addresses of creditors being added or deleted, and use the appropriate ECF event to amend schedules or mailing lists. But, if more than two are being deleted, include a creditor mailing list with only the deleted creditors listed in the format required by LBF 104 rather than entering the deleted creditors' names in the event.
3. If amending Schedules D, E/F, G, or H, label amended schedules as "Supplemental," include only the new information, and file them with this notice.
 4. Amending Schedules D or E/F:
 - Individual debtors must file the amended schedules with OF 106Sum.
 - Other debtors must file the amended schedules with OF 206Sum.
 5. If the case is closed, file a separate motion to reopen with the applicable filing fee.
 6. To file an address change for a previously listed creditor, use LBF 101C instead of this form.

Service Instructions for Debtor

7. When adding creditors, serve each new creditor with this notice, and a copy of any of the following documents that have already been filed in this case:
[The parties listed on Exhibit B were previously served - see note below.](#)
 - A. The notice of meeting of creditors (also called notice of bankruptcy case) that includes all 9 digits of any social security number (SSN) or individual taxpayer identification number (ITIN).
 - B. Each applicable amended schedule.
 - C. If this is a chapter 7 case, any order fixing time for filing a proof of claim.
 - D. If this is a chapter 9, 11, 12, or 13 case—
 - If the plan has not yet been confirmed, the notice of any pending confirmation hearing, all related documents sent with that notice and, in a chapter 13 case, the most recent proposed plan; or
 - If the plan has been confirmed, the most recent confirmation order and the most recent confirmed plan.
 - E. If this is a chapter 11, 12, or 13 case: any notice of modification of plan including attachments if the deadline for objection has not passed.
 - F. If this is a chapter 9 or 11 case—

- The names and addresses of the chairperson and any attorney for each official committee of creditors or equity security holders and
 - The notice of any pending hearing on a disclosure statement, with attachments.
8. When deleting creditors, changing a creditor status (for example, undisputed to disputed), or reducing a creditor's claim, serve each affected creditor with this notice and the applicable amended schedules.

Certificate of Compliance

The undersigned debtor or debtor's attorney certifies that all applicable requirements above have been completed and the attachments are true and correct or were individually verified by the debtor. [See note below.](#)
